

VIETNAM YOUNG ACADEMY NEWSLETTER

Highlights

We look back at some main activities of the VYA during the last three months

- ❖ **From 16-18 November 2015**, our representatives, Prof. Nguyen Thi Kim Thanh and Dr. Tran Phu Duy, attended the 2nd Worldwide Meeting of Young Academies in Stockholm, Sweden. This event was co-hosted by the Global Young Academy and the Young Academy of Sweden.

Representatives of Young Academies gathered together to discuss the regional and global

issues of Scientific Support for policymaking

in sustainable development, as well as the development of new national young academies. The VYA aims at hosting the 3rd Worldwide Meeting of Young Academies in Vietnam in 2017.

- ❖ **The constitution of Vietnam Young Academy** is being finalized and will be sent to current members, advisory board and friends of VYA for consultation shortly.
- ❖ **Our secretary (Dr Duy) and advisory board (Prof. Thanh)** met up and planned for the future VYA activities, including recruiting members, fund raising for the VYA and other activities. See more in VYA website.
- ❖ **Funding opportunities:** For information of PhD position open for Vietnam Master students and opportunities for women in developing countries in STEM to be awarded by The Schlumberger Foundation Faculty for the Future program, please visit VYA website.

- ❖ **First contact of the VYA with Saigon Scientist.** Our secretary (Dr. Duy) will meet up with Saigon Scientist founder in December 2015. For more information, please visit <http://saigonscientists.vn/vi>.

- ❖ **Our Facebook page** Vietnam Young Academy is now up and running. Please visit us at Facebook website <http://facebook.com/VietnamYA.online>.
